SASKATOON FAMILY CHILD CARE HOMES ASSOCIATION

MEMBERSHIP FORM, PAGE 2

SFCCHA AIMS AND OBJECTIVES

- To speak with a united voice for government approved family child care providers in the City of Saskatoon and surrounding area.
- To maintain a productive relationship with government related organizations and the public in general.
- To promote better education and training of persons providing child care in their homes.
- To develop high standards of conduct and public relations through the adoption and enforcement of these bylaws.
- To provide a forum for the discussion and dissemination of information on matters relating to family child care.
- To coordinate the experience and knowledge of members of the association in child care matters and to make available information on these matters to government, members, and the public at large.
- To work towards provincial, inter-provincial, and federal networking within the family child care field.
- To increase input into conferences and workshops and to have meaningful material that is helpful to the special needs of family child care home providers.
- To promote lobbying of positive changes to family child care home programs on a provincial, inter-provincial, and federal level.
